

# Operation SNOWBALLFEST! 2018

A Statewide Snowball Event  
Celebrating A Community of Caring!  
Snowball Awards!  
Workshops!

**May 11, 2018 - 8:30am-2:30pm**  
**Holiday Inn & Suites, Bolingbrook, IL**  
**Event registration fee: \$20 includes lunch and fun!**

## Presentations and workshops include:

**Leading to Change** will bring a fast paced, fun, highly interactive, and skill-focused presentation that will not only engage but inspire you to action.

**Stevenson HS Catalyst student group** will present 'CANNABUST: Busting The Myths of Marijuana'. Be informed and be inspired by these youth who have created a voice and are being heard in their community and around the state. They separate facts from fiction concerning legalization, commercialization and medical marijuana. This Group has been involved in numerous press conferences about marijuana and tobacco legislation and was recently recognized nationally by CADCA.

**Jalen Little** will present 'Harnessing the Power of Your Moral Compass'. How do you find your passion and chart your course in life? How do you recognize when you're thrown off course (either by internal or external forces)? Jalen is an Alum of Schaumburg HS and their Snowball. He attended CGTI in 2008 as a high school student and continues to volunteer as a leadership team member. Jalen is an Admission Specialist at Harper College. His passion for music has lead him into audio engineering, music production, and managing musical acts.

Hot topic workshops throughout the day are informative and fun sessions. Topics include: youth leadership, strategies for effective peer-to-peer communication, and trends that affect teen health and success. Workshop presenters include Leading to Change, J. Randall Webber of JRW Behavioral Health Services and Dr. Brenda Nelson of Libertyville HS Snowball.

**DEADLINE TO REGISTER: May 4th, 2018**

**See registration form on back**
